

**SECTION SOFA | WORKSTATION | ARMCHAIR.** Frame of wood. Moulded polyurethane foam with fabric or leather cover. Plastic feet. Built-in connection fitting. BOB JOB contains a selection of Bob's modules and additional screen walls clad in fabric or leather. Seat shelf, back shelf, table tops and knob in solid wood. Electrical socket, USB socket. Lamps, BOB LIGHT. Base in black lacquered wood +6 cm gives seat height 46 cm. If a fabric/color option is used for fewer than 4 modules for a multicolored BOB Job the option is regarded as one fabric type higher. For different fabrics in seat and back the higher fabric price applies.

BOB JOB can be built in endless combinations. Use the BOB JOB Planner available on our website to create your desired variant and attach the illustration in the order. [Follow the link to BOB JOB planner here.](#)
